

Are people of anglo-celtic background over represented?

In 2023, out of 2068 board seats on the ASX300 companies:

90%

were of
anglo-celtic
background

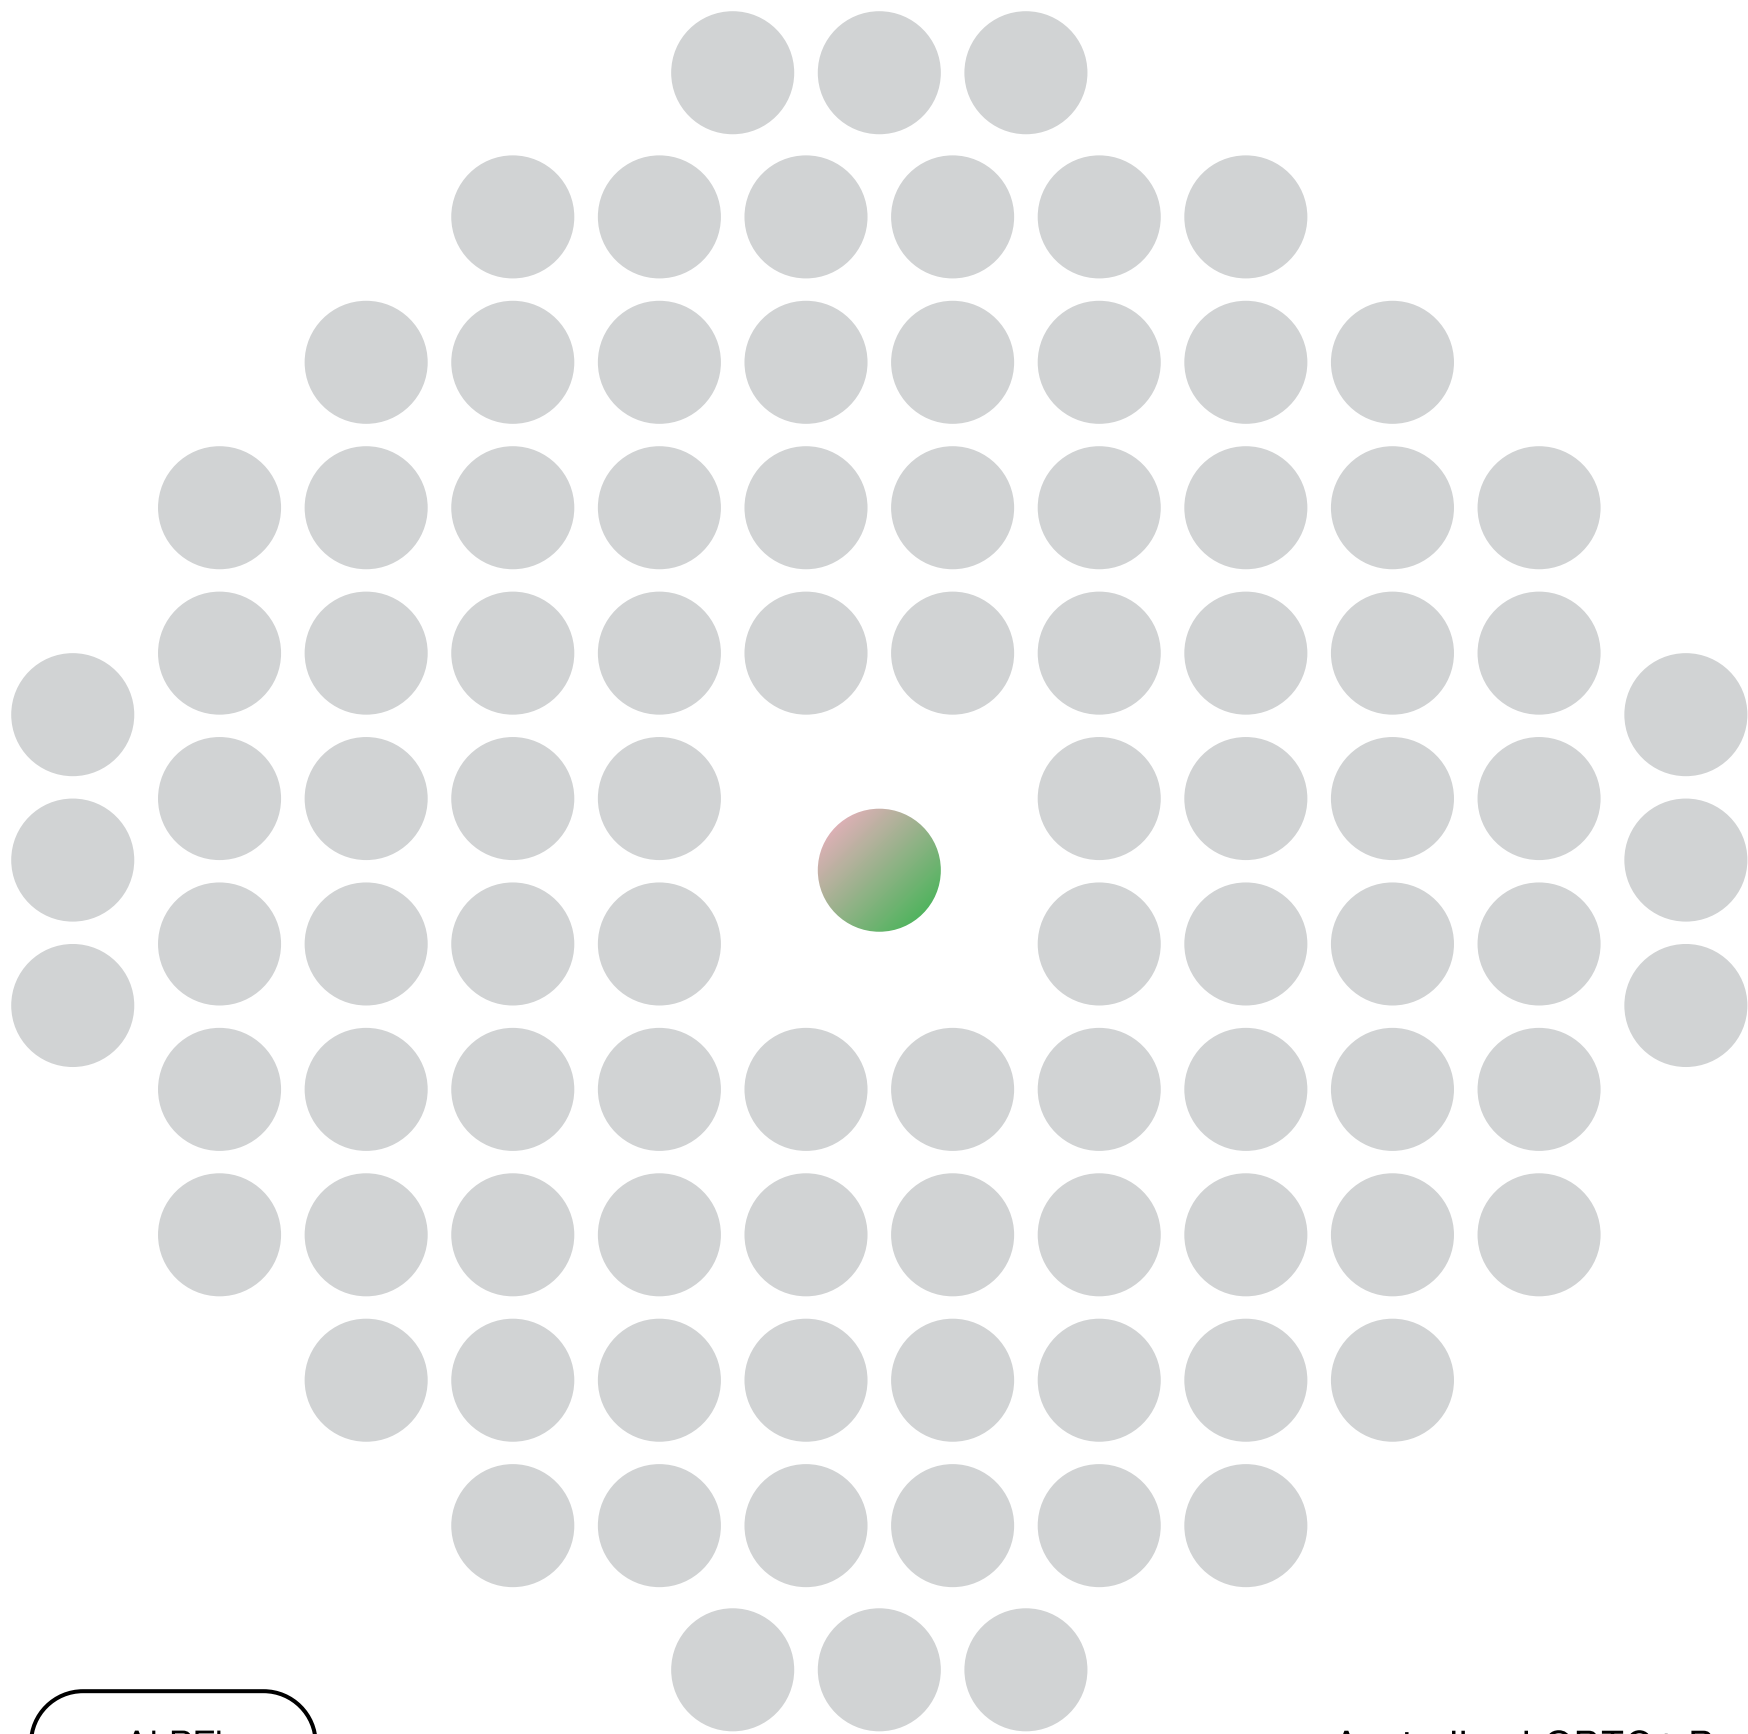

Compared to

54%

in the
Australian
population

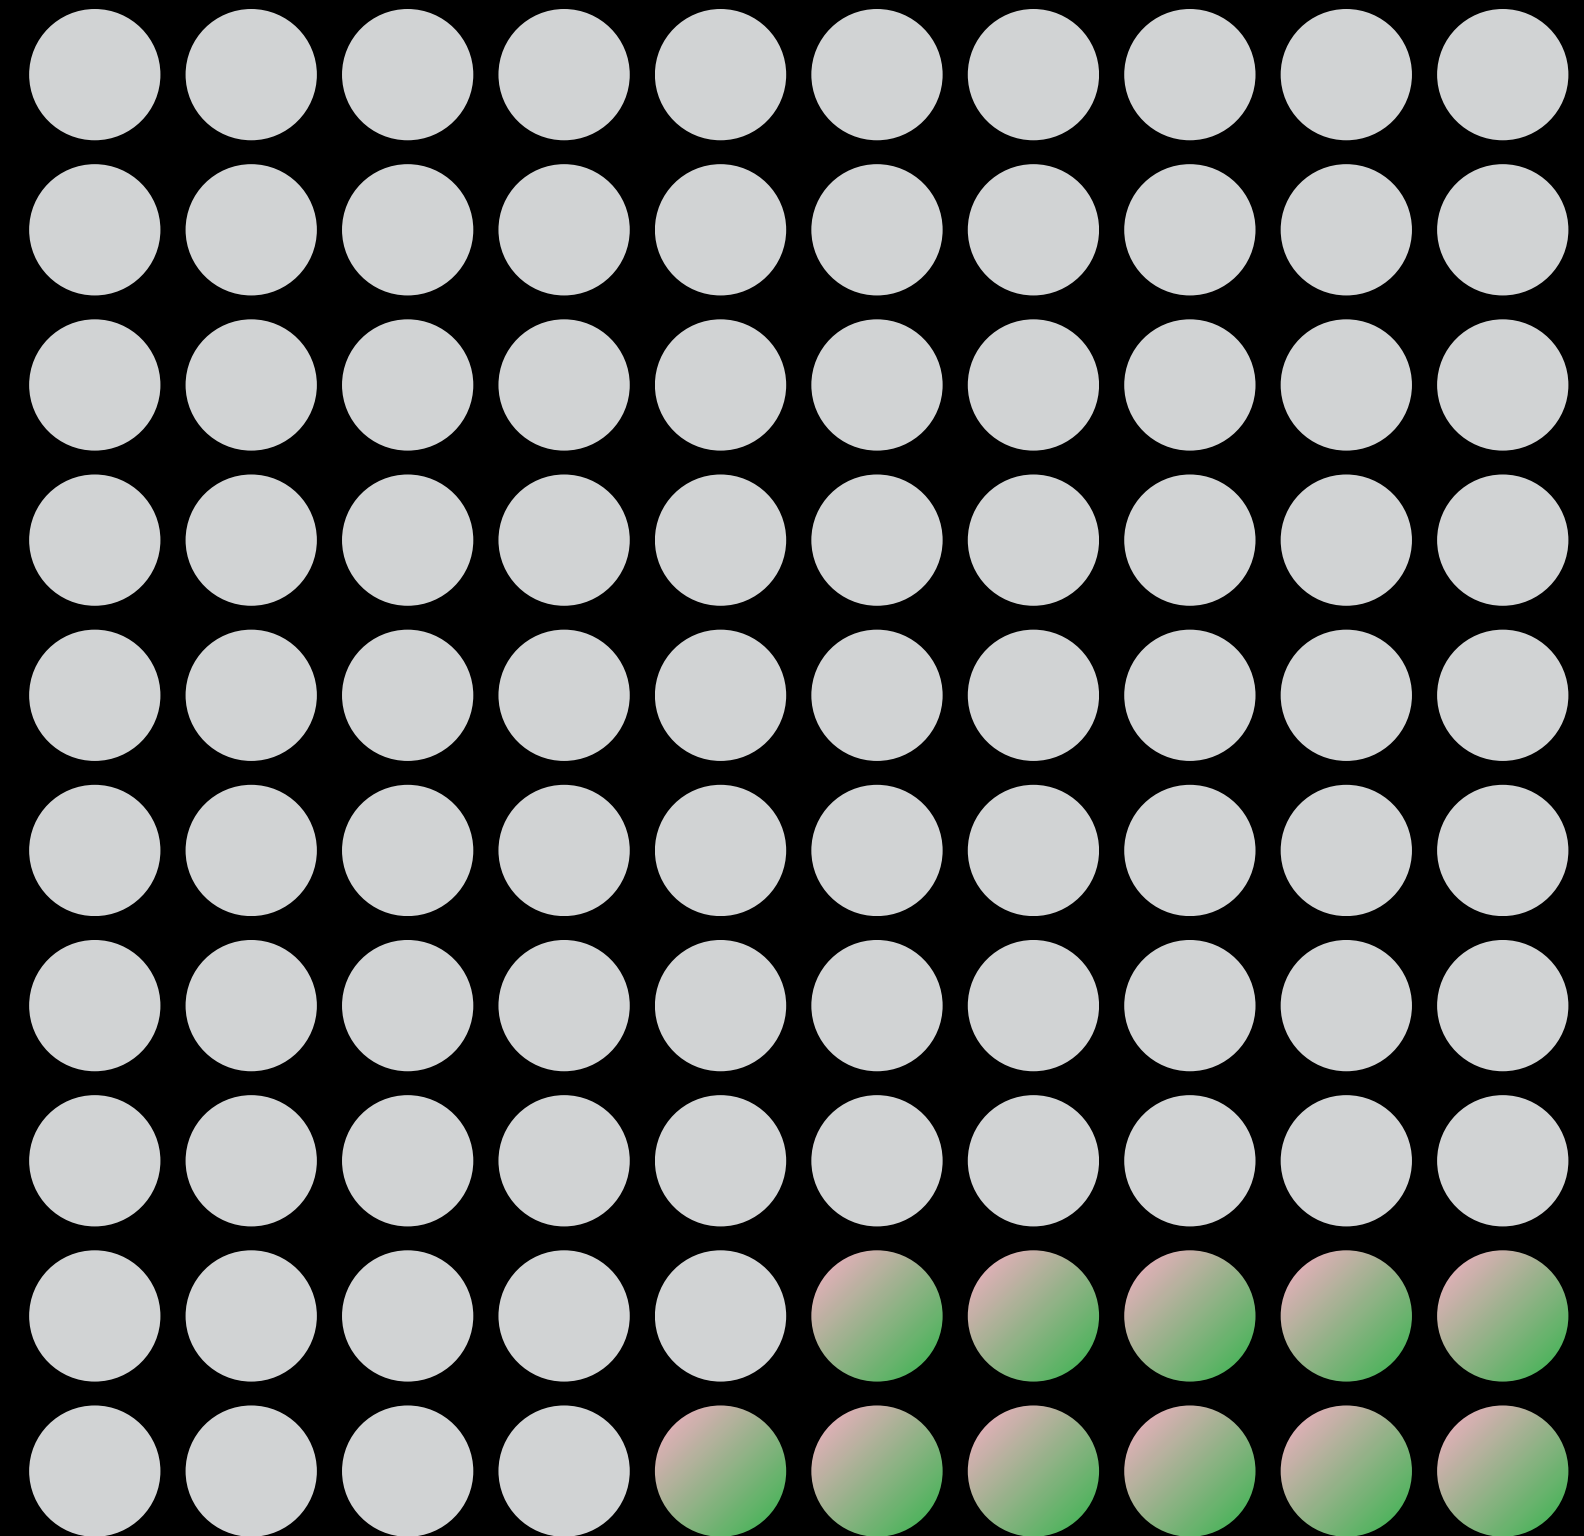

<1%

disclosed that they
were members of the
LGBTQ+ community

Compared to

~11%

in the Australian
population

0%

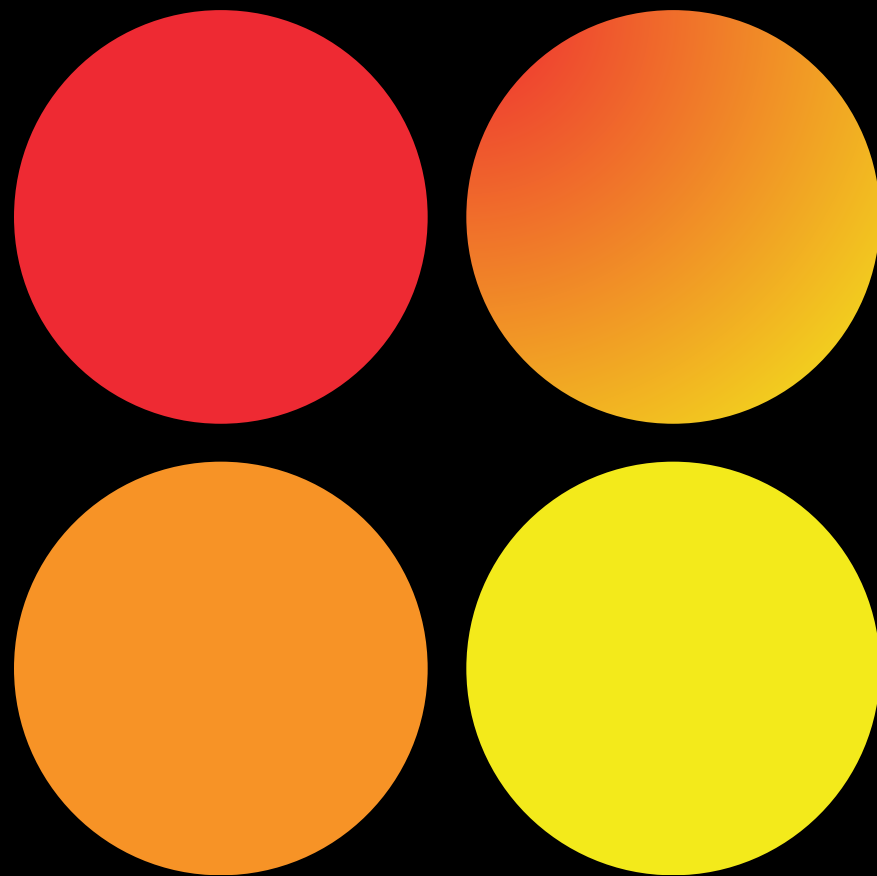

disclosed
disability status

**We could not find
anyone disclosing
disability status**

There were only
**4 First Nations
Directors**

(not 4%, 4 people!)

Compared to

3%

in the Australian Population
